Abundance Prayer Group Meet each Monday except Bank Holidays at 7.30pm in the upstairs meeting room in Newmarket Church

'Wherever there is a human being, there is an opportunity for kindness.' (Seneca)

As we celebrate the 104th World Day of Migrants and Refugees on Sunday, 14 January 2018, it is important that we come together to pray and remember our migrant and refugee brothers and sisters living in our dioceses, our parishes and especially those in direct provision centres in our country. Pope Francis, in his message for World Day of Migrants and Refugees 2018, says that providing aid to migrants and refugees is a 'great responsibility, which the Church intends to share with all believers and men and women of good will, who are called to respond to the many challenges of contemporary migration with generosity, promptness, wisdom and foresight, each according to their own abilities'. The Holy Father reminds us that 'welcoming, protecting, promoting and integrating migrants and refugees' are essential to the Christian faith.
