The Tractor Run was initially the brainchild of a very small group of people in the parish, as a way of raising funds for a worthwhile cause. This is our third run with the last two raising very substantial amounts for the relevant causes. What began as an idea to try and give a little back has developed into a huge event! This year the run is in aid of the **Clare Crusaders Children's Clinic.** The Clare Crusaders Children's Clinic provides free therapy and specialist treatment to over 350 children with special needs in County Clare. They are a self financing service located in Barefield, Ennis. The Clinic receives no state funding and must raise over €250,000 per annum to provide the current level of therapy for children. The Clinic was opened in 2007 thanks to the dedication and hard work of a group of parents to overcome the lack of publicly available treatment for children with autism and cerebral palsy. It was a community response to the lack of access to services that children with disabilities need in order to meet their potential.
