Pope Francis has designated the period between September 1st-October 4th as the Season of Creation. In these times we encourage you to have a new appreciation for the beautiful world around us. We also invite you to keep an eye out for the events being organised by Killaloe Diocese Justice, Peace and Care of Creation committee to mark this special time

God our Father, Awaken within us a renewed appreciation for the wonder of creation and stir up in us a sense of awe for the splendour with which you have adorned our world. Help us, in these times to care for our world, so beautiful, so immense and yet so fragile. Allow us some quiet moment to surrender to the whisper of your love in the gentle breeze and in the warmth of the sun. May the essence of your presence, shimmering through creation fill our entire being, spirit, soul and body, through Christ our Lord.
