MISSION SUNDAY - 18th OCTOBER 2020

God's Work
Our Hands

World Mission Sunday Day 18th October - World Mission Sunday is Pope Francis' annual appeal for spiritual and financial support so the life-giving work of overseas' missionaries can continue. Worryingly, it is in jeopardy. The pandemic will mean less offerings for this vital collection. The implications for overseas communities in the months ahead will be devastating. In many of our poorer parishes in Africa, Asia and Latin America, it is missionaries who are on the front line. They already do so much. Walking hand-in-hand with struggling communities, long before and long after any emergency. COVID-19 adds even more challenges for these women and men, many of whom are in war-torn countries, remote areas where political conflicts, violent protests, extreme poverty, malnutrition and diseases are rife. These are crises faced on a daily basis and looking beyond COVID-19, sadly these crises will remain. Your support of World Mission Sunday will play an enormous part in easing suffering by providing overseas' missionaries with essential aid. Envelopes for this appeal are available in the parish office or the porch of the Church and can be returned during the month of October. Overseas' missionaries are in urgent crisis and need both our prayers and financial support.

Vocations Intercessory Prayer Oct 11th

That from the many called to holiness in Christ, those chosen to follow Him more closely in the priesthood and consecrated life will respond with humble readiness. *We pray to the Lord*

A prayer for those seeking a cure for the virus

*Come, Holy Spirit, enlighten the minds of women and men of medical science who are working to find a solution to this viral infection. Guide their research and help them discover what you provide in creation, sure ways of control, protection, inoculation and healing. Strengthen them in their tiring work and enrich in them the virtue of hope.
Amen.*

Autumn 2020 General Meeting of the Irish Catholic Bishops' Conference

In accordance with the public health restrictions to prevent the spread of Covid-19, members of the Irish Catholic Bishops' Conference gathered this week for their Autumn 2020 General Meeting *via* video-link, instead of the usual location at Saint Patrick's College, Maynooth. This was the second plenary meeting of bishops hosted using this medium. The President of the Conference is Archbishop Eamon Martin of Armagh and the Vice-President is Archbishop Diarmuid Martin of Dublin.

During their meeting bishops acknowledged the depth of pain experienced by people whose loved ones have died during this difficult time and offered their prayerful support to families who have suffered due to the restrictions placed on funeral rites and attendance. Bishops encouraged the faithful to pray the Rosary together during October, particularly in the 'domestic Church' at home, for God's protection during this time of coronavirus.

The main issues discussed by the bishops during their Autumn General Meeting included:

- **Pope Francis' third encyclical letter *Fratelli Tutti* on human fraternity and social friendship**
- **Do not lose heart – a message in the context of the Covid-19 pandemic**
- ***Samaritanus Bonus (The Good Samaritan)*, human dignity and end of life care**
- **RTÉ to broadcast Mass on World Mission Sunday, 18 October**
- **Safeguarding children in the Catholic Church**
- **Trócaire**
- **Bishops' Conference membership**

Men's Shed: Due to the current covid restrictions we are closing until further notice.
