" The 35th Annual Clare 250 mile cycle takes place on the weekend 17/18th of May. Two cyclists from Newmarket on Fergus will be taking part, Jason Fitzgerald, Urlanmore and Kevin O'Connor, Avondale. The cycle raises

the funds that enable a person diagnosed with cancer to travel on a pilgrimage to Lourdes with a companion, with no cost incurred to them. Sadly places are limited and the demand is great .

Newmarket on Fergus has been lucky over the past number of years where cancer sufferers have been able to travel on the pilgrimage with their companion. This was made possible by the generous sponsorship the local cyclists have received from the community of Newmarket on Fergus and the surrounding parishes .

Looking for money once again is difficult and there are so many worthy causes out there, but we do ask for your help in supporting the cyclists in a worthy cause that offers a small bit of comfort for what could be a life threatening illness .

Anyone with an idea for a fund raiser can contact, Jason 087 273149 or Kevin 086 2402839.

The cyclists will pass through Newmarket on Saturday evening about 7.30pm (unfortunately during mass time).

Ancient scripts repeat and patterns recur. How can these be broken ? Understanding where we come from and the integration of our family shadow is an important key to finding identity health and wholeness.

Fr Jim Cogley is a psychotherapist and wood turner with over thirty years experience. He was one of the early leaders in the Charismatic Renewal Movement in Ireland. Based in the picturesque village of Oylegate in Co. Wexford, his particular interest is that of Healing, both personal and intergenerational, and how the past that is unacknowledged can still influence the present. As an artist with wood he presents the age old truths in the form of symbols that speak to the soul.

Regarded as an inspirational speaker he is constantly in demand for seminars, retreats and conferences,. He is the author of several books in the popular Wood You Believe series including: The Unfolding Self, The Ancestral Self, and The Twinless Self. His latest publication, The Spiritual Self - A Spirituality of Healing and Integration, has been highly acclaimed as one of the best contributions to religious journalism in recent times.
