Special collection for the hosting of the 9th World Meeting of Families in Dublin

Pope Francis has chosen Ireland to host the 9th World Meeting of Families from August 22nd - 26th 2018 with the theme *"The Gospel of the Family: Joy for the World"*. This is expected to attract thousands of Catholic families from around the globe to Ireland. It is hoped that this very special pastoral initiative will present us in the Church with the opportunity, and the challenge, to renew, support and strengthen Irish families in their commitment to their faith.

Hosting a global event of this size requires a huge amount of planning and financial outlay on behalf of the host country. Accordingly, our bishops have now established a National Finance Committee to provide advice on the financial planning for the World Meeting of Families in Ireland. To support the hosting of the event it is intended to host three national church collections, the first of which will take place in our parish **this weekend after each Mass**.

The remaining collections will take place in 2017 and 2018.

Canon Reuben's Diamond Jubilee

Canon Reuben Butler was ordained a priest on 17th June 1956. For the last sixty years he has served in the diocese of Killaloe at St. Flannan's College, Ennis, and here in Newmarket on Fergus. This commitment and service is well worth celebrating and so we are planning a Mass of Thanksgiving in Newmarket Church on Saturday June 25th at 7.30pm. Refreshments will be served in the community hall after Mass. We would like this to be a real parish occasion when people will have an opportunity to meet Canon Reuben and celebrate the gift that he is to our community. For that evening we have decided to cancel the 6.30pm Mass in the Wells and invite all to gather for the Mass of Thanksgiving in Newmarket.
