Sunday Indoor Market on October 27th

The Community Centre in Newmarket-on-Fergus hosts an indoor Sunday Market on Sunday October 27th from 11am to 3pm.

This is the second in a series of three markets, the first one was in July and the 3rd one will be on December 15th. The Board of the Community Centre are promoting these markets to provide local producers an opportunity to market their products.

At the market in July people were surprised and delighted to meet local producers of jewellery and other goods that they were not aware of. Anybody can book a stall by contacting Geraldine on [087 7761882](tel:0877761882). The stalls at the market will include a number of local producers as well as a number of local charity stalls re-cycling 2nd hand goods. Another feature of the July market was two stalls run by national school children. To boost the spirit of entrepreneurship among the youth, there is a special discount rate for a stall run by a national school child. We hope the public come out in large numbers on Sunday October 27th and support local producers and charities.

Sharing this message of Faith and hope to our modern world is our Christian duty, as is assisting financially the growth of our young churches in the South. Please help us at World Missions Ireland to share that gift of faith through your prayers and financial support of our missions.
