## Newmarket Church.

**New Guidelines for Entering & Exiting :** It is very much appreciated how mass attendees are adhering to health guidelines regarding the wearing of face coverings and hand sanitising when attending church services. As a result of such cooperation there is a change on the entry and exit of the church. The side doors are now open for entry along with the front door. Mass goers are asked to enter and exit by the door nearest to the side you normally sit in as you would have done pre-Covid 19. Please continue to observe the seating arrangements and if any aisle seems full please choose designated seat in another aisle. There has been congestion at the main door when mass is over and we urge people to keep the required safe distance.

**Ministers of the Eucharist:** As communion is being distributed throughout the church there will be three ministers serving along with Fr Tom on Saturday & Sunday rather than four.

**Sanitising Volunteers:** Many thanks to the people who responded to the recent notice looking for extra hands. A new rota will be circulated in the coming week.

There are many people that insure the smooth running of all our churches — **Buíochas mór le gach duine**

The local conference of SVP wish to acknowledge the receipt of €50 (Fifty Euro) received from the Late Late Show Appeal which was shown during the Summer.

## During World Alzheimer's month on Sunday, September 20<sup>th</sup> we are asking you to join us for our first virtual Alzheimer's Memory Walk event.

This September was due to be our first Alzheimer's Memory Walk with events taking place across Ireland. But, in line with government restrictions and Covid19 precautions, we've launched our 2020 campaign as virtual walk event! Going virtual will provide a wonderful opportunity for everyone to **'Walk Together'**, while staying apart, to help raise much needed funds for people living with dementia in their communities all across Ireland. There are over **500,000 families affected by dementia** in Ireland and we wanted to hold an event that was accessible to everyone, from granny and grandchildren to our four legged friends.

Walk in memory of a loved one or for someone living with dementia. This year more than ever we need your support to continue to provide vital dementia services running in communities all around the country.

### Getting Involved is Easy!
