Recent Death: Pray for the happy repose of the soul of

Stephen Grehan, brother of Moira Feehily, Drumline.

May he rest in the loving embrace of the Father.

Welcome Fr. Dariusz Zarebski.

On July 22nd we welcome Fr Dariusz Zarebski from the archdiocese of Miami, Florida who will be with us here in the parish for almost two weeks in the absence of Fr. Tom. Father Zarebski was born in Poland and ordained for the Salvatorian Fathers in 1990. In addition to Polish and English he also understands Russian. From 1990 to 1994 he served as parochial vicar at several parishes in Poland. He then went to Canada, serving at various parishes there and working as a chaplain for young offenders until 1997, when he was named pastor of St. Ambrose in Coaldale. From 1998 to 2006 he served as pastor of St. Peter's in Nanaimo, Diocese of Victoria; and from 2006 to 2010 he served as pastor of Holy Cross in Burnaby, Archdiocese of Vancouver. Since arriving in South Florida in 2011, he has been serving at St. Ambrose parish in Deerfield Beach, where he is now the administrator. We look forward to his visit. He can be contacted through the parish office or on 061 700883.

Tidy Towns

Tidy Towns thank the parishioners of Newmarket-on-Fergus, The Wells & Carrigerry who contributed to the Church Gate collection last weekend. €605.32 was collected and all monies raised will fund ongoing activities.

For generations people have kept their habitats with great pride. Doing so with minimal or primitive tools. Thankfully today we have many implements that make life considerably easier. It is greatly appreciate when parishioners display an interest in their area. Any spare time given to sweeping, weeding and picking up litter will greatly enhance our environment.

Our local Tidy Towns group are a group of volunteers who are passionate about Newmarket on Fergus and would love your help. In addition to organising projects they are instrumental in keeping public areas clean and litter free thus enhancing the overall appearance of our village and the approach roads. Watch out for days you can join them. Follow them on facebook <https://www.facebook.com/newmarketonfergus.tidytowns/>

“Alone, we can do so little; together, we can do so much” – Helen Keller

A little background on Tidy Towns and it’s origin (Irish: *Bailte Slachtmhara*) is an annual competition, first held in 1958, organised by the Department of Communications, Climate Action and Environment in order to honour the tidiest and most attractive cities, towns and villages in Ireland. The competition is organised on a national basis, and entrants must complete modules including Overall Developmental Approach (5-year plan), The Built Environment, Landscaping, Wildlife & Natural Amenities, Litter Control, Tidiness, Waste Minimisation, Residential Areas, Roads and Streets & Back Areas.

The Competition is judged during the summer months (May to August) by an independent adjudicator, who issues each town with a written report complimenting positive development and actions and providing positive suggestions on how the community can improve their general surroundings. This competition covers many aspects of environment and prizes are awarded to winners of all areas. Other than that, there's an overall winner which is named as "Ireland's Tidiest Town" which is announced at the end of competition every September.
