## Viatores Christi

Members of Viatores Christi will speak at Masses in the parish next weekend  
21st/22nd September 2014

### What is Viatores Christi?

Viatores Christi, an association of Catholic lay missionary development workers, was founded in 1960 and recruits, prepares and facilitates the placement of lay people who wish to serve in areas of need in Africa, Asia and South America.

### Why are they talking to us?

- To raise awareness about the missionary work of the Church and the role of lay missionaries, both at home and overseas.
- To thank the people of the Killaloe Diocese for our support for this work over the years
- To offer an opportunity and preparation to anyone who feels called to volunteer their time, skills and talents
- To appeal for our ongoing help both financially and above all through our prayers. There will be a collection after Masses in aid of their work.

## Our 2000-year Christian history

For the winter-season we've organised a series of talks on the landmark events of two millennia, beginning with the 'story of St Paul' and some foundational realities from Jesus' time; setting the scene for an epic journey; in the Upper Room, Newmarket-on-Fergus Church on Thursday night 18<sup>th</sup> September at 7.00 pm.

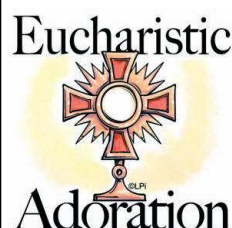

St Paul is one of the most important figures in Christian history. His encounter with the resurrected Jesus on the 'Road to Damascus' changed his life dramatically, the Christian Church, and world history. It's a great story! All welcome.

**Open Forum - The Diaconate** . An Open Forum will take place on Monday next 15th September 2014 at the Clare Inn Hotel at 8pm to explore the Diaconate.

Are you interested in working to keep this area crime free and improving the quality of life and safety of the community in general? Muintir Na Tire operates a Community Alert programme in partnership with An Garda Síochána. If our community can get together to form a local committee we can be part of this. Community Alert has a number of aims:

It is a crime prevention; community care and safety program It encourages the community to actively participate in improving the quality of life and safety of the community It engages in a program of visitation and care of the older and more vulnerable members of the community It participates in Seniors Alert Program by pro actively engaging and liaising with the Gardaí

A locally set up committee can become a member of Muintir Na Tire and help to keep our area a safe place in which to live. Community Alert can only come into fruition in our community if we as a community set this up. The local Gardaí and Muintir Na Tire representatives want to see this happen and have provided information to enable us to do this. The area currently is relatively crime free, however, crime rates are rising in our neighbouring communities. Is it only a matter of time before the criminals move into our rural areas?

If you are interested in helping to set this program up please contact your nearest local contact at the numbers set out below. A further public meeting is planned for Thursday 18th September at 8pm in Shannon Garda Station to progress this initiative.
