Maryvale Certificate in Catechesis

The *Maryvale Certificate in Catechesis (MCC)* course is a two year, part-time, distance-learning course which is modular in design, covering the key areas necessary for adults seeking to deepen their faith knowledge, as well as those looking for formation to equip them to deliver catechesis in parishes, schools and families. MCC is delivered at Maryvale in England but also in many other centres including in Ireland in **Dublin** and **Cork**. You will study at home, at your own pace, using course books specially written for the purpose. This enables study to be integrated with daily life making the course accessible to people with busy lives and work or family commitments. Each year there are 6 course books, with 6 assignments to write and 3 Study Days and a Retreat Day to encourage and support you. The cost per annum is £700

The course will begin again on **Saturday 11th October 2014** with a Study day from 10am-4pm in the Avila Carmelite Centre, Bloomfield Avenue, Morehampton Road, Dublin 4

If you are interested please contact – mcc@maryvale.ac.uk or 0044 121 3608118 or check out Maryvale's website for more information – www.maryvale.ac.uk

A Father's Day Prayer

Let us praise those fathers who have striven to balance the demands of work, marriage, and children with an honest awareness of both joy and sacrifice.

Let us praise those fathers who, lacking a good model for a father, have worked to become a good father.

Let us praise those fathers who by their own account were not always there for their children, but who continue to offer those children, now grown, their love and support.

Let us pray for those fathers who have been wounded by the neglect and hostility of their children.

Let us praise those fathers who, despite divorce, have remained in their children's lives.

Let us praise those fathers whose children are adopted, and whose love and support has offered healing.

Let us praise those fathers who, as stepfathers, freely choose the obligation of fatherhood and earned their step children's love and respect.

Let us praise those fathers who have lost a child to death, and continue to hold the child in their heart.

Let us praise those men who have no children, but cherish the next generation as if they were their own.

Let us praise those men who have "fathered" us in their role as mentors and guides.

Let us praise those men who are about to become fathers; may they openly delight in their children.

And let us praise those fathers who have died, but live on in our memory and whose love continues to nurture us.
