## Parish Thanksgiving Ceremony

The Parish Pastoral Council has planned a "Thanksgiving Mass" to mark all of the activity that has brought life to our parish community over the past twelve months. Our parish is richly blessed with an abundance of diverse activity. The work of so many groups and organisations is often taken for granted but it is this work done in a voluntary way that contributes to the full flowering of the experience that we proudly call "Our Parish Community". On Saturday evening next November 21st we will gather at 7.30pm in Newmarket Church to celebrate our parish identity. It is the last week of the Church's year and the feast of Christ the King. All of our parish groups are invited to attend and to present some symbol that would adequately signify the activity of the group represented. We have a lot going on in our parish community. We have a lot to celebrate .
