Community Market - Closure

It is with regret that the Tidy Towns Committee announce the closure of the Community Market. This was a wonderful example of community spirit and a vital source of funding for local projects. In recent times, the running costs have made the Community Market unviable, leaving us with no option but to close. We would like to extend a special thank you to all who volunteered over the past 4 years. Your work has contributed to various projects that have greatly enhanced the village for the entire community. Thank you to all who supported this project - all proceeds went to village enhancement projects

Tidy Towns Church Gate Collection

Newmarket Tidy Towns will be holding their church gate collection on the **30th and 31st of January** - Your support will be greatly appreciated.

As the New Year gets under way, Tidy Towns Volunteers are preparing to roll up their sleeves and continue to work at making our village a better place to live. In order to carry out many of the enhancement projects, it is important that funds are raised for tools, paint, building materials, planting etc. Volunteers are always needed, so make 2016 the year that you give a little back to the community and be proud of where you come from. Thanks for your support.
