Mary Immaculate College, Thurles

On Saturday **23 November**, MIC Thurles will open its doors to hundreds of prospective students interested in pursuing careers in post-primary teaching. The **MIC Thurles Open Day** will provide second level students, students who are currently in further education programmes and mature students with the opportunity to explore the programmes on offer and the facilities available at Mary Immaculate College's Thurles campus.

Now established as an innovative college of post-primary teacher education, MIC Thurles has continued to grow in popularity. This is reflected in the addition of two new programmes – the BA in Education, Mathematics and Gaelige which commenced in September 2019 and the BA in Education, Mathematics and Business Studies which will commence in September 2020.

The MIC Thurles Open Day is the perfect opportunity to find out about the various subject combinations, the range of curricular and extra-curricular resources on offer, undergraduate entrance scholarships and the new MIC Elite Sports Scholarship Scheme, and CAO Points Concession Scheme.

Registration for this event is not required. The Open Day will take place from 10.30am to 2pm with talks scheduled to take place at 10.30am and again at 12.30pm. Full details at www.micopenday.ie.
