Week 3 – Safeguarding Children:

The safeguarding service continues to strive to bring an awareness and understanding to all working in the Parishes of our policies and procedures for keeping children safe. We work within the framework from the National Board for Safeguarding Children in the Catholic Church and the Children First 2011, National Guidance for the Protection and welfare of children.

“No childhood should be shattered by abuse. No young life should be lived in the shadow of fear. While it is not possible to prevent all violence, nor possible to guarantee that no child will ever be harmed by neglect or aggression or exploitation or predation, it is our duty to do everything in our power as a Government and as a society to prevent such harm. “

Frances Fitzgerald, TD. Minister for Children and Youth Affairs, Children First 2011.

Many thanks to everyone who supported this event! Watch out for our next event which will be held in July in Carrigerry House.
