**WORLD  
MISSION  
SUNDAY**

## Today is Mission Sunday:

We thank God for your generosity to the work of the missions. Our diocese contributed more than €88,000 last year which in addition to helping the more than 1,300 Irish people still serving on the missions helps places that are in most need of the basics of food, water etc. This generosity of Irish people continues today in your prayers and practical help on Mission Sunday and in recent years the many lay volunteers who work a year or two on the Missions. Your generous contribution today will be sent in its entirety to support our many mission projects. We can't do it without you. Large or small, it makes a difference and thank you for your help.

This Clinic provides free therapy and specialist treatment to over 350 children with special needs in County Clare.

They are a self financing service located in Barefield, Ennis. The Clinic receives no state funding and must raise over €250,000 per annum to provide the current level of therapy for children.

The Clinic was opened in 2007 thanks to the dedication and hard work of a group of parents to overcome the lack of publicly available treatment for children with autism and cerebral palsy. It was a community response to the lack of access to services that children with disabilities need in order to meet their potential.
