Anam Cara is holding its monthly support meeting on Wednesday 4th of September 2013 from 19:30 to 21:00 at The Ballybane Enterprise Centre, Galway. This event is free, open to all bereaved parents and each Anam Cara support group has a bereavement professional present to answer any questions parents may have and signpost them to other services that are available in the area.

Anam Cara support groups are situated throughout Ireland and provide parents a safe, comfortable environment where they have the opportunity to connect with other bereaved parents. Anam Cara is an inclusive organisation where parents do not identify themselves by their children's age, how they died, or if their death was recent or many years ago. What Anam Cara provides is a safe place for bereaved parents to connect with others who understand the intensity of the grief and loss.
