SVP East Clare would like to thank parishioners for their contributions at our recent church gate collections, via the SVP giving trees, as well as those that have made individual donations to us - your kindness meant that many families who would otherwise not have had food for the table, heat, or toys for their children, had a brighter Christmas. Without your continued support, we would simply be unable to help those in need in our local communities. We also would like to acknowledge and thank the following for their generosity. The Clare Crusaders for their donation of €200—much appreciated. The dancers and musicians who organised a Christmas Celi which raised €480 and the Derg Credit Union Scariff who kindly organised a giving tree space for us this year. Thanks so much also to our small team of local volunteers, all those who stood for us, all those organising the giving trees and for the subsequent organisation and distribution of donations received. *Time is a very precious gift and we are so grateful for the gift of yours*
