**Newmarket- on -Fergus Senior Citizens**

Newmarket- on- Fergus senior citizens held their summer outing day out to the Japanese Gardens and National Stud in Co Kildare last Saturday. The day was well supported by many senior citizens in the Parish. On the trip home the group enjoyed a meal at Racket Hall Hotel. The committee would like to thank everyone who helped on the day, which was a great success and was enjoyed by all.

\*\*\*\*

**Community Centre**

There has been a good response from the public to our recent distribution of flyers to promote Bingo in the Community Centre every Wednesday Night at 8.30pm. The Jackpot now stands at € 3,000. The Bingo is the main revenue generator for the Community Centre during the Summer and we need more support in order to carry out critical repairs before the Winter. Our target is that one person from every house in the parish to attend Bingo over July and August. Many houses have "done their bit" so now we are requesting all the houses who have not sent a representative to show up (especially now that the World Cup is over). Bingo is a very enjoyable family night out and the Community Centre is an essential part of the community. Come on everybody and support your local centre.

*Thanks for donation received through the Parish Office*

\*\*\*\*

**Saint Vincent de Paul**, encourages those whose life chances have been limited in accessing vocational training, foundation level studies, third level or further education to consider submitting an application with relevant details to 84 Parnell Street, Ennis as we may be in a position to assist financially. The long term impact of achieving a qualification has so many benefits, self-esteem, improved job prospects but most of all the escape from a poverty of expectation which erodes so many lives.

**Trócaire**

Éamonn Meehan, Executive Director of Trócaire wishes to avail of this opportunity to thank parishioners for their continuing generosity despite the difficult economic times many people face. Your support is bringing new hope to the lives of women, men and children facing injustice and poverty. From this support communities in many countries now have the opportunity to install water pumps & irrigation systems. The provision of water for drinking, cooking, cleaning and farming is providing families with the means to work their way out of poverty and to lead lives with dignity and potential.

*€4838.47 was contributed from this parish*
