Funding Appeal.

Work on the Day Chapel in Newmarket Church is progressing and we hope that it will be completed before the end of October. The work is extensive and when finished we will have a very modern Day Chapel which will be both comfortable for the community and efficient to operate. We are, at this time, making a special appeal for your help in trying to alleviate some of the cost involved. As you leave church this weekend you will be given a handout with a detailed account of the works carried out together with an envelope into which you might place a donation and return it to us at your convenience through the church or Parish Office. We will provide you with regular updates of what has been received in this special appeal in the weeks ahead.
