Mens Shed: Members have been working hard on the Mens Shed, finalising the finishing touches, making and repairing items. It is hoped that more men will join us. A homely place for a chat, to share stories and life's experiences or to share their skills with others should they wish to do so.

The Shed is open every Tues and Thurs 10am—3pm

It is unfortunate that for the second time in three weeks the Mooghaun Viewing Stand has been vandalised. The OPW were very quick to respond to the damage done three weeks ago and repaired the structure. Sadly the continuous reckless behaviour of a few, undermine the great work, at considerable expense and time, may force the closure of the viewing area. The help of the general public are asked to please be vigilant and to report any untoward behaviour.
