Thank you most sincerely yet again for all your support during this very trying and difficult time.

As we continue in the current restriction it is becoming increasingly difficult for everyone. Parishioners are growing weary of the ever presence of Covid 19. Thank you all for keeping yourselves and others safe by adhering to health advise. We look forward with hope as the vaccine is rolled out. Spring flowers are appearing everywhere and the days are beginning to stretch. Take heart from the beauty of nature that is all around us. We wish to thank you for your patience and understanding with all the restrictions surrounding sacraments in the current environment and look forward to a time when we can once again be with each other in our churches and community areas. Until then mind yourself and we will continue to pray for you all.

Pope Francis' Prayer to Mary during the coronavirus pandemic

O Mary,
you always shine on our path
as a sign of salvation and of hope.
We entrust ourselves to you,
Health of the Sick,
who at the cross took part in Jesus'
pain, keeping your faith firm.
You, Salvation of the
Roman People,
know what we need,
and we are sure you will provide
so that, as in Cana of Galilee,
we may return to joy and to feasting
after this time of trial.
Help us, Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who has taken upon himself our
sufferings and carried our sorrows
to lead us, through the cross,
to the joy of the resurrection.
Amen.

Under your protection, we seek
refuge, Holy Mother of God.

Do not disdain the entreaties of we
who are in trial, but deliver us from
every danger, O glorious and
blessed Virgin.
