In this years Tidy Towns Competition we gained points on last year and received a very positive and supportive report from the Adjudicators. Light restoration work has started on the Old Bridge and all the caps have been recovered from the river-bed, this work is ongoing and it is hoped it will be finished before the end of October. A project entitled "Enhancing the Riverbank with Family Trees has been approved for funding by The Department of Environment, Community & Local Government and Clare County Council in conjunction with the LA 21 Environmental Partnership Fund. This allows us to plant 65 native trees, Willow, Aspen and Downy Birch in the field next to the river. It is hoped that planting will take next February in the school midterm break. Further information will be available towards the end of the year.

The bus shelter was badly vandalised between Saturday night 18th and early Sunday morning 19th, photographs have been taken of the damage and the matter is now with the Garda based at Shannon Garda Station. Anyone with information regarding the vandalism please contact Shannon Garda Station. The Official opening of the Bus Shelter will be held on Saturday 31st October at 12 noon, all welcome.

We have been nominated by Clare County Council to represent the County in the All Ireland Pride of Place Competition the results will be announced at the Pride of Place Function on November 14th in the West County Ennis.

Fundraising is ongoing and we are now fundraising for the second Bus Shelter. We will be holding a Halloween Fundraiser on Saturday 31st October in the Loft Bar Dirty Nelly's. Fancy dress is optional, there will be a prize for the Best Dressed, along with spot prizes, finger food and music, all welcome to join us for a good night.
