We have a job to do this October as we celebrate Mission Month. There are approximately 1,500 Irish born missionaries working in more than 80 countries.

The Society for the Propagation of the Faith organises the Mission Sunday collection in all Churches nationwide, which this year takes place on the 20th October.

We are invited to reflect on our call to bring Christ to others, while remembering to pray and to assist the young churches that they may have the spiritual and financial resources to grow and in turn announce the Good News

O' Regan Park News:

The newly developed O' Regan Park will open to the public on Saturday October 5th at 2pm. This scenic piece of land situated in the heart of Newmarket-on-Fergus was donated to the community by Dr. Brendan O' Regan. Dr O' Regan was a forward thinking man who contributed greatly to the village as well as being instrumental in founding Obair in 1993. He also established the Shannon Duty Free, The College of Hotel Management as well as Bunnratty Heritage and Folk Park. The Park has been designed by the Development Committee in conjunction with award winning Lisa McKnight, who recently won RTE's Super Garden 2013. The park is a beautiful display of craftsmanship and hard work and consists of a children's playground, picnic areas, nature trail and outdoor classroom/storytelling area. This area of the park has been supported by the 4 local schools in the spirit of "Educating Together". All of these features are situated on the picturesque environs of the Mill Race River.

The Park will be officially opened on Saturday October 5th and will have a barbecue courtesy of Dromoland Castle and their Chef as well as entertainment provided by the local Brass Band and The Galway Community Circus. There will also be an emphasis on the importance of reading on the day with children's author Roisín Meaney coming to do a reading in the beautiful Storytelling Circle. Also in attendance on the day will be members of the O' Regan family, Canon Reuben Butler, members of the Oireachtas, Clare County Council, The Leader Programme, The Mayor of Clare as well as the many organisations and community groups who helped fund the park.

There has been a huge effort made in developing the Park and the whole community has been very generous in supporting the many fundraising efforts.

The O' Regan Park Development Committee would like to thank the community by inviting everyone to come and celebrate this great achievement on the day and to enjoy the amenities of O' Regan Park. This is an example of people coming together to give back to the Community and of Dr O' Regan's philanthropy. Together they have left a lasting legacy for the children as well as providing a beautiful amenity for all ages to enjoy.

'Mind' your life!

May be it's not the customary time of year for new resolutions but any time is a good time for change for the better, especially with the long nights setting in. Our lives are our most precious possession; our faith is essential to our well-being and our minds are our *lives* controlling influence. A wonderful winter resolution to fill-in those long nights, and meet neighbours, is to exercise your mind, give it a spiritual up-lift, and see things that impact on your life from a transforming perspective.

A 6-week series of talks, with visual presentation, are being organised for the next six months on topics of an enjoyable nature designed to be a stimulating experience.
