THANK YOU FOR SUPPORTING POPE FRANCIS' COVID-19 EMERGENCY FUND

On behalf of our Holy Father and the poorest and most vulnerable communities in our wider Church family, thank you for taking action and donating towards Pope Francis' COVID-19 Emergency Fund. Already, his life-giving Fund is making an impact in Africa, Asia and Latin America.

In dioceses in Pakistan, the majority of people live below the poverty line. The virus has forced many to isolate. Now lack of food is becoming the most urgent and fundamental need. The Fund is being used to help feed these hungry men, women, and children. In countries, like Sierra Leone and Chad, Health and Public Announcement systems are fragile. Here a problem is the lack of information about the virus; how it spreads and its consequences. In response, the Fund is allowing the Church to use local radio to inform parishes about the virus and the simple precautions needed to take.

Thank you for playing your part in making this happen. Your support and prayers for our overseas missionaries and the people they serve are always appreciated and greatly needed.

To donate go to www.wmi.ie/covid-fund, call Fiona on 01 497 2035, or lodge money directly:

From a Distance

From A Distance is a community initiative encouraging people to recommence socializing safely after lockdown. These 30-40 minute bi-weekly concerts will allow people to see some familiar faces From A Distance while also enjoying some musical treats from local talents such as Mike Hanrahan, Monica Morgan Kearney, Joan Hanrahan and friends, and many more to be announced.

These concerts will take place on Tuesdays and Thursdays at 2pm, free of charge, for the month of August in SS Peter and Paul Cathedral Ennis. The Civil Defence will be present to ensure all guidelines are followed and safety measures are in place.

Cocooning has seen many vulnerable members of our society isolated from friends, family for a substantial length of time. Now that lockdown is over, these concerts aspire to create a safe welcoming environment to bridge the fears, worries, and doubts people may have about getting out again to enjoy live music and entertainment.
