A Parish Mission has been arranged for the middle of November of this year. A few members of the Redemptorist Congregation will lead the Mission and have asked that we arrange a preliminary meeting to plan ahead as a community for this time of grace in our parish. Accordingly, a meeting has been arranged for this Tuesday evening June 4th in Newmarket Church at 8pm. Fr. Derek Meskell from Mount St Aphonsus in Limerick has agreed to facilitate the meeting. We invite as many as possible to come along on Tuesday evening and to volunteer suggestions or ideas that would be helpful in making Mission Week a memorable one for all.

Reflection on Exam

Exams are a test of knowledge or skill. They have their importance. However, they are not a measure of the worth of the individual. They indicate one aspect of us, but we are much more than an exam can show. Success or failure does not give the full measure of our worth. Each one of us is unique and precious with our own gifts and talents. God made us that way. He wants us to use those talents. Exams can be an anxious time. But remember, we are more than our exam results. We are loved for who we are, not for our achievements. God wants us to discover all our wonderful gifts.

Special Mass for exam students this Monday @ 7.30pm in Newmarket Church. All are welcome.

St Killian Candle System installed in Newmarket Church

How the Candle System Works

St Killian Candle System is a unique candle system that is **safer, self-cleaning and environmentally friendly.**

- The candle is placed directly in the glass holder. When it extinguishes, any residual wax simply drops through into a collecting tray for easy removal.
- The **Self-Cleaning Inner Glass System** ensures the glass stays clean and is ready to receive the next candle.
- The **Patented Glass Configuration** secures the candle, preventing tilting which can cause glass to shatter or plastic containers to ignite.
- Each piece is manufactured with high grade quality candle wax
- Certified as technically smokeless
- No soot
- Burning time of up to 2 hours

Cost 30cent each.

Congratulations to all the girls and boys in Stonehall School who received their first communion last weekend. All the schools have received the sacraments of First Holy Communion and Confirmation for 2013. Well done to everyone concerned.

As you are aware, there is a National Vigil for Life on Sat. June 8th between 3-4pm at Merrion Square Dublin. It is so urgent that as many people as possible attend this event as this is like our last stand before the Government makes legislation to legalise abortion.

So what can you do? I am asking you to contact every priest in the diocese by next Sunday to speak about this. Of course we can empathise with those women who are in such a dark place and are suicidal because they are with child. But abortion is not the answer. These women need care during their pregnancy and then if they wish they can adopt the child. This would make others so happy. Also is it right that we should give women the right to choose. Definitely not. You can not give a person the right to take another's life, especially one that has only us to speak for it. Which of us no matter what hardships we go through would not wish that we had not LIVED. For info on buses to Dublin contact The National Vigil for Life. Tidy Towns News

Judging Time..... The final push is on to have Newmarket looking its best for the judging in the National Tidy Towns competition. The Judging period is from the 1st June to late August. This is a crucial time in the judging process as our performance on the first judging determines how we will perform in the latter stages of the competition. Tidy Towns have worked extremely hard and are very pleased with the level of support we have received from members of the community and local organisations. We ask for your continued support to reap the rewards of all our work by being conscious of litter and weeds around our homes, business premises and community grounds.

Best Wishes to the Clare Rose from the Rose Village!!

Tidy Towns wish our colleague and Clare Rose Marie Donnellan the very best in the Rose of Tralee Regional Festival this weekend.

"The Clare Volunteer Centre in association with The Gathering Clare 2013 Steering Group is organising a unique Gathering which will take place on Sunday, 23rd June at 2pm at the Cathedral, Ennis, Co. Clare.

The initiative is designed to break a World Record for the largest ever gathering of people of the same name, in the same place at the same time. A call goes out to all people whose first name is Clare, Claire or Clair to attend this event as over 1,100 people are required to set a new world record. You are encouraged to spread the word and if you are named Clare, Claire or Clair to be there on the day.

The event is part of the Ennis Roots festival taking place over that weekend".
