New books from Veritas

1. The Family Prayer Book

With a comprehensive collection of prayers and blessings for all occasions in family life, this beautifully presented hardback volume from the Council for Marriage and the Family is ideal for use in the home. This prayer book can be used by both those preparing for marriage and married couples, and by individual family members or families who pray together. It offers prayers for daily use or it can be dipped into from time to time, and contains a section of prayers suitable for times of need and difficulty. Describing it as 'a very accessible and user friendly collection of prayers we know, prayers we may have forgotten and new prayers', it was recently launched by Cardinal Seán Brady, Archbishop of Armagh and Primate of All Ireland. 'We are all familiar with that saying "the family that prays together, stays together" and in launching this new family prayer book I am encouraging families to do just that - to take time out for prayer.'

€14.99/£12.75

2. The Veritas Book of Blessings for All Occasions

An updated version of the *Veritas Book of Blessings*, originally published in 1973, this volume features blessings for all occasions for use by the priest, as well as in lay ministry. Containing official liturgical texts as given by the Vatican and carefully selected for relevance of use in Ireland, this is an essential resource for any parish or chaplaincy.
