SIMPLIFY
things

There's a place of peace
beyond the haste, the quest for more,
the shield of things.

The hum of your heart will lead the way
to the quiet well of simple truth,
of real needs met and false wants shed.

When you drink from
the waters of value,
you will know the joy of enough.

In response to the significant need of community and voluntary groups across Ireland, many of whom are working to support people affected by Covid-19, RTÉ and Kite Entertainment came together to host RTÉ does Comic Relief. The night of entertainment raised over €5.5million for the Community and Voluntary sector which will be distributed through a process of application and assessment. The funds raised through RTÉ does Comic Relief will focus on the recovery and rebuilding of Ireland. The fund will focus on supporting non-profit organisations that provide key services and supports to vulnerable individuals who have been affected by Covid-19 across the whole of the Republic of Ireland. Newmarket -on-Fergus Community Forum

The Newmarket on Fergus Community Forum is a group of local volunteers who came together following a series of public meetings to address a range of issues raised by the community. The Forum is made up of representatives from Community groups, Education, Sporting organisations, Business Community, and representatives from the general community. The broad role of the Forum is to work with established Community Groups, the Local Authorities and Community Members to create a viable Community Development Plan that meets the needs of the whole community.

Have your Say!

Newmarket-on-Fergus Community Forum in partnership with Leader and the CDLC(Clare Local Development Company) is asking you to complete this short survey to tell us how you would like to see our community develop over the next 5 years. The results will be used to create community development plan for the 5000 people who live here covering ; Community and Recreation, Housing and Urban Design, Environment and Heritage, Infrastructure, Transport, and Economic Development .The survey has 3 open-ended questions and should take only 5 to 10 minutes to complete.

It can be completed on-line or in hard copy. Hard copies will be available in the next week and can be collected/ returned to Eurospar, Halpins Garage and The Parish Office / Church Porches. What equals 100% ?

What does it mean to give MORE than 100% ?
Have you ever wondered about those people who say they are giving more than 100% ?
We have all been in situations where someone wants you to give over 100%. How about achieving 101% ?
What equals 100% in life ?
Here's a little mathematical formula that might help you answer these questions.

If: **A B C D E F G H I J K L M N O P Q R S T U V W X Y Z** Is represented by: **1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26**

Then: **H-A-R-D-W-O-R-K** 8+1+18+4+23+15+18+11=98%
AND K-N-O-W-L-E-D-G-E 11+14+15+23+12+5+4+7+5=96%
BUT A-T-T-I-T-U-D-E 1+20+20+9+20+21+4+5=100%
AND, just look how far the love of God will take you!
L-O-V-E-O-F-G-O-D 12+15+22+5+15+6+7+15+4=101%

Therefore, one can conclude with mathematical certainty that while hard work and knowledge will get you close and attitude will get you there, it's the Love of God that will put you over the top! In these busy days of love, with much activity happening as all schools reopened, take a few moments to remember the Love of God, and how that love shows in the Blessings that we often take for granted.
