## Baptisms:

It is not permitted until further notice that any baptisms would be celebrated under the current level of restrictions, except in an absolute emergency.

**Recent Church Donations :** Many thanks to everyone who continue to contribute to the church funds. Your generosity is very much appreciated. **From Feb 15th to March 4th the amount of €1583.30 was received via white envelopes and a further €646 directly into the parish bank account, some of whom have been donating this way for years.** Other donations received since January were : **Bishops Conference** : €280 / **Education Fund** : €143. Some money has been received for Trocaire but we will give a total after Easter when the Trocaire Lenten Campaign ends. Money given for candles at the Shrines generally off sets the cost from the company who supply and clean the candle burning units. We are also grateful for donations received recently towards church lighting and the webcam.

We hope to have a donate button on our own website soon. As there is a cost to having this facility we decided to try it out for one year to see if it is financially viable. Two parishioners used the facility on the Diocesan Website in 2020 for which we got notified and money transferred to the appropriate account.

**Thank you once again for all your support.**

### **Getting Started Keep In Touch Programme**

Age Action's Getting Started KIT programme provides free remote

tutoring to older people to use the internet on their smartphone, laptop, pc, iPad, or tablet.

***Do you know a friend or loved one who could benefit from FREE one-on-one digital literacy tutoring?***

As part of Age Action's Getting Started digital umbrella we developed the **Keep In Touch (KIT)** in response to COVID-19. This remote national learning initiative helps older people improve their digital literacy skills, so they are more connected, informed and supported specifically during periods of social distancing.

We are offering five hours tutoring, by phone, to anyone who feels that they need support with using their smart device. Covering topics like how to set up an email, how to download an app, and how to use video to see your loved ones, learners will be matched with a volunteer tutor who will cover the topics the learner chooses, at their pace.

If you would like further information about Age Action's Getting Started KIT, or if you or someone you know would like to be matched with a tutor, please call 01 4756989 and we will call you back for details. Alternatively, email [gettingstarted@ageaction.ie](mailto:gettingstarted@ageaction.ie) for details.
