The Catholic Communications Office has been contacted by the HSE with the following reminder message for everyone aged over 60 years to register for their vaccine.

We would like to remind everyone aged 65-69 to register for their COVID-19 vaccine through the HSE's online registration system or on the phone with HSELive. Following the success of the online registration for people aged 65-69, we are inviting those aged 60-64 to register from Friday 23rd April. However, before we do, we want to remind those aged 65-69 who have yet to register to make sure to register as soon as possible. Everyone in this age group is now eligible to register. **Online registration – information for patients and service users**

People in this age group who are registering online will need:

- their Personal Public Service Number (PPSN),
- their Eircode,
- an email address or a mobile phone number.

A friend or family member can help. If someone is finding it difficult to go online and register or they can ring HSELive for support on **1850 24 1850** or **01 240 8787** from 8am to 8pm, 7 days. If a person doesn't have a PPSN they can register on the phone with HSElive. Once registered the person will receive their vaccine appointment for the COVID-19 AstraZeneca vaccine. If a person is deaf or hard of hearing, they can text HSELive on **086 1800 661** to register for your vaccination

GAA News

Hallelujah! On the week beginning April 26th, we can't wait to see all our underage players back in the pitch for training. Details will be sent to each group, but if any parent requires information please contact Darren Duggan, secretary of underage hurling on 087 9721078

It's finally ready! And it looks absolutely brilliant! We are delighted to announce that our new Astroturf and Walkway facility are open on April 26th. Fully floodlit on a state of the art surface, this will be a fantastic resource for all our players. And the walkway is for everyone, young and old, providing a convenient way to do 800m laps, all year long. For all of this we are thankful to those who contributed in every way, financially and in 1000s of hours of voluntary labour. It really has added up to something we can all be proud of. Come along and see!
