Youth Ministry

Young people have always been important for our Mission. In 1987, however, the Redemptorists identified young people a priority ministry as we believe that their experience, hopes, and challenges must be at the very heart of the church. Since then, the Irish Redemptorists and Co-workers have drawn on resources both nationally and internationally to become one of the biggest providers of youth ministry in Ireland. Each year, over 10,000 young people take part in Redemptorist ministries, workshops and events. The aims of Redemptorist youth ministry is summed up in our mission statement. Inspired by Jesus Christ, we engage with young people in exploring faith and life issues, and journey with them in discovering their worth, and their potential to live life in service of others. Present for my teacher - Notice

www.presentformyteacher.com is where parents and guardians can buy an online gift for their children's teachers in exchange for a donation towards the work of Mary's Meals. Every donation will help to support their mission to provide nutritious daily meals to some of the world's poorest children in their place of education. Donations of **any** amount are gratefully accepted and for just €18.30, a child can receive daily meals while they learn for an entire school year. It is really two gifts in one: your children can safely send a beautiful e-card via email to recognise and thank their teacher, while simultaneously giving a gift of hope to hungry children across the globe.

The local branch of the St Vincent de Paul Society wishes to acknowledge and thank you for donations received recently. Your support is greatly appreciated

It is fantastic to see underage action return to Newmarket-on-Fergus GAA club. Training sessions are being conducted in a safe manner which we hope will be comfortable for parents and enjoyable for our young stars. Since before the last lockdown, we've made considerable progress with various developments which greatly enhance our offering at Fr Murphy Memorial Park. The new 3G astro-turf has now been completed. The generosity of our members has been central to this progress. If you require any further information on how you can help support our development through different payment options, please contact Darren Duggan (Bord na nÓg secretary) on 0879721078.
