Fathers in Our Lives

We give our thanks, Creator God, for the fathers in our lives.

Fatherhood does not come with a manual, and reality teaches us that some fathers excel while others fail. We ask for Your blessings for them all and forgiveness where it is needed.

This Father's Day we remember the many sacrifices fathers make for their children and families, and the ways--both big and small--they lift children to achieve dreams thought beyond reach.

So too, we remember all those who have helped fill the void when fathers pass early or are absent; grandfathers and uncles, brothers and cousins, teachers, pastors and coaches and the women of our families.

For those who are fathers, we ask for wisdom and humility in the face of the task of parenting. Give them the strength to do well by their children and by You. In Your Holy name, O God, we pray.

Amen.

Statement of the Summer 2021 General Meeting of the Irish Bishops' Conference

In accordance with the public health restrictions to help prevent the spread of Covid-19, members of the Irish Catholic Bishops' Conference gathered remotely this week for their Summer 2021 General Meeting *via* video-link, instead of the usual location at Saint Patrick's College, Maynooth. This was the fifth plenary meeting of bishops hosted using this medium. The President of the Conference is Archbishop Eamon Martin of Armagh and the Vice-President is Archbishop Dermot Farrell of Dublin.

During their meeting bishops acknowledged the depth of pain experienced by people whose loved ones have died during this difficult time and offered their prayerful support to families who have suffered due to the restrictions placed on funeral rites and attendance. Bishops also expressed their thanks to the faithful for their prayers, sacrifice and perseverance and for adhering to the public health restrictions due to the Covid-19 pandemic. This commitment has successfully served to protect life and health.

The main issues discussed by the bishops during their Summer General Meeting included:

- **Bishops express thanks for over 550 submissions received for Synodal Pathway**
- **Safeguarding children in the Catholic Church**
- **Northern Ireland**
- **Vaccine ethics and equity**
- **Proactively engaging with the Department of Education in relation to reconfiguration of patronage**
- **Birth Information and Tracing Heads of Bill**
- **Welcome to Pope Francis instituting the Ministry of Catechist**
- **First World Day for Grandparents & the Elderly**
- ***Laudato Si'* on care for our common home**
- **Prisoner Repatriation**
- **Bishops thank public for generosity to Trócaire**
- **Call on Government to recognize the State of Palestine**
- **Brutality in Myanmar**
- **UN Food Systems Summit**
- **Appointments**
