## Step by Step to Feed the Next Child

I am just letting you know that we are walking again: Step by Step to Feed the Next Child

**Mary's Meals** began feeding 200 children in Malawi in 2002 and is now feeding 1,838,859 children every day in places of education. Our vision is that every hungry child receives a daily meal and that all who have more than they need, share with those who are in need. With our no frills policy, it costs with Mary's Meals €18.30 to give a child a meal every day for a full school year.

To raise funds and awareness of Mary's Meals, we are walking throughout Ireland. Walks are starting on 7th August from Kilkenny, Malin, Derry, Armagh, Dublin, and Limerick and are all arriving in Knock Co Mayo on 15th August (restriction permitting). Maybe you could get involved in Step by Step to Feed the Next Child. You are invited to visit our website [www.marysmeals.ie](http://www.marysmeals.ie) For more information you can phone Fr Eamonn Kelly on 0879077985.

We would also like to organise a local walk in your area. Sponsor cards and t-shirts are available. Maybe you would be willing to undertake the challenge and so help to feed the little ones. Contact Patricia on 0863140814

### 'Tour of Holy Island' :

The tour starts with a mini-bus leaving the Ring of Lough Derg Tourist Office in Killaloe (County Clare) at 12.30pm on Tuesdays and Thursdays. This mini-bus brings people to a Mountshannon pier where Ger Madden (a very experienced local guide) drives a boat to and from Holy Island. The tour concludes with a lunch at 'Flanagans On The Lake' (a bar and restaurant near Killaloe) around 3pm following the mini-bus trip back from a Mountshannon pier. Tour & Lunch costs €40

Hello Everybody

The Irish Red Cross Clare have been providing a service to the people of Co. Clare since August 2016, when we purchased our first Community Support Vehicle at a cost of €86,000.00. Thanks to all our volunteers drivers and community support teams we have been on the road five to six day a week since 2016 supporting the people of Co. Clare with medical appointments.

Our community support service is such a vital roll carried out by our volunteers. The number of young and old, disabled and able bodied, people living alone that have no family and members of the general public that rely on our great volunteers to get them to hospital appointments, doctor visits, eye appointments, out patients, cancer treatment, and a gold range of reasons that they may need to come to or from is astounding.

We bring people from all corners of Co. Clare to hospitals all over Ireland. Sometimes their day can start at 3am just to have someone from some distant corner of Clare in Dublin for an 8 or 9am appointment. That very same person will be brought from their door to their destination, assisted to attend their appointment and brought home to their family when all is done.

We also promote social outing visiting nursing homes taking the residents for day trips organised by the nursing homes. Our service to the community are making a difference in people's life's.

We are turning away to many clients and here is the good news, we have purchased a second community support Vehicle at a cost of €61,315.50

Our budget was €59,000.00 complete. We need one final push to raise €2,315.50 to cover extras.

We are calling on members of the general public our Irish Red Cross volunteers across Ireland to support the Irish Red Cross Clare & the people of Co. Clare
