Safeguarding

During the month of May the Diocese of Killaloe highlights the important topic of Safeguarding. As we move out from the worst of the pandemic, children's and youth ministry in parishes across the Diocese are slowly returning. We want actively encourage children's safe involvement in the Church. To ensure this, we as a Diocese have developed procedures and policies to assist Parishes in developing safe Youth Ministry Programmes. For further guidance, assistance or contact details feel free to consult the Diocesan Website. The Diocese also provides regular training in safeguarding for both volunteers, priests, religious and contracted employees. To see more details visit our website:
