Childline Limerick is currently recruiting for volunteers for our unit in Limerick city centre. Volunteers are trained to actively listen, empower and support young people on the phone or through web chat and text. Children and young people can contact the service to talk about anything that is on their mind and our goal is to ensure there is someone there to listen. If you feel you have a listening ear, and can commit to a four hour shift each week, then why not get involved in your local Childline service. If you would be interested in finding out more about the role, please contact Catriona by email at [Catriona.Mullahey@ispcc.ie](mailto:Catriona.Mullahey@ispcc.ie)

**ALONE** is a national organisation that strives to enable older people to age at home, safely and securely, for as long as they wish. We work with all older people, including those who are lonely, isolated, frail or ill, homeless, living in poverty, or are facing other difficulties. If you are an older person who would like to learn more about this service, please call ALONE's National Support Line on 0818 222 024. Available seven days a week from 8am – 8pm. ALONE's Visitation Support & Befriending Service matches older people who would like additional social contact with a volunteer who provides companionship through a weekly visit. We work with a number of older people in the Killaloe area who would like for someone to visit them. Are you that someone? If you would like to volunteer with ALONE see the volunteer section of the Alone.ie website or email [Aoife.Dennehy@alone.ie](mailto:Aoife.Dennehy@alone.ie).
