**Living
with
COVID-19**

Living with Covid-19

During the week the Government announced the next level of stepdown with regard to the wearing of masks in hospitals and health care settings. As a parish we too need to move in line with the broader society with regard to living with Covid-19. While there is no requirement for us to wear masks while in Church, it is important that if some parishioners feel safer wearing a mask, please feel absolutely free to do so. We will continue to refrain from exchanging the sign of peace by hand shake and we asks that people continue to consider receiving communion on the hand. We thank everybody for their continued support and

solidarity as we do all we can to protect the most vulnerable among us.

Pray this Month

Lor God,
We see signs of new life all around us
As the days continue to grow longer.
Thank you for the buds & the blossom;
The grass and the warmth of the sun-shine.
May we remember that you have created us and love us, and even if it doesn't feel like spring sometimes—outside or in our hearts—
We can find newness of life through your presence.
Please help us to notice the beauty around us: A child's smile, a work of art, an insect, a friend's embrace.
May we also share beauty and life with those whom we meet.
Help us to glorify you as we promote peace, love and grace.
May we speak truth in love
And forgive those who wrong us, by your strength.
We love you, Father, Son & Holy Spirit.

Amy Boucher Pye
