### **Keep in your prayers the Children of the Parish who will receive the sacraments of Eucharist and Confirmation this year.**

This is a very special time for the families of our parish who have children presenting for Holy Communion and Confirmation.

It marks yet another milestone on their journey of faith. Let us keep them in our prayers so that they may have an experience of God's presence in their lives that inspires them to join this faith community in prayer and in acts of loving service of their neighbour.

### **Parish Webcam.**

Due to issues concerning GDPR legislation we can no longer leave the Webcam in the Parish Church running continuously throughout the day. From a GDPR viewpoint there are issues regarding people's privacy and also issue with regard to employment law.

In order for the parish to be in compliance with the latest GDPR directives, the Parish Webcam will only operate during liturgies such as Mass, Funerals or other moments of public prayer. We will endeavour to have the webcam engaged in good time before liturgies so that you can join us on line, and in prayer. We apologise for any inconvenience caused but we have no option as the fines for non-compliance are very significant. If there are any difficulties with the Parish Webcam please notify the Parish Office so that we can attend to them as soon as possible.
