This is an opportunity for us to remember loved ones and neighbours who have passed away. Like Mary Magdalene on that first Easter Morning, we too will gather at the tombs of our loved ones in the hope of having an encounter with God that will instil in us a belief in the resurrection and new life gifted by Jesus.

A Prayer for Pentecost.

St Paul describes the fruits of the Holy Spirit as love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control...

I ponder which of those fruits I need to day...
I ask God to help me to grow that fruit in my life...
I ask for it as a gift that can only be given by God...

I promise to notice where that gift is received and give thanks...
so the fruit of the Holy Spirit might grow and grow in my life...

Keeping it real at Pentecost

Pentecost is about the renewal of the spirit of all Jesus's disciples – and that means us. As a sign of the great friendship between our Church and the Church of Ireland this Pentecost the two bishops – Bishop Fintan Monahan and Bishop Michael Burrows – have come together to give us a series of seven reflections and prayers. The reflections are all from the Franciscan Richard Rohr, whose writings speak to Christians of all churches. They are designed to help us to find our true selves and remove the masks we wear, so that we too can be better followers of Jesus and live the lives to which we are called. The reflections are to be found on www.killaloeodiocese.ie

15th June – World Elder Abuse Awareness Day:

The United Nations General Assembly has designated the 15th June annually as World Elder Abuse Awareness Day. It is well documented that there will be a significant growth in the population of older persons between 2015-2030 and with this increase comes the increase and risk of abuse. The abuse of older people is an increasing and serious problem so it is vital to raise awareness of it in an effort to prevent it. Raising awareness of what constitutes abuse and ensuring that people know how to report any concerns they have is important in this regard. This day focuses our attention on the need for all of us, to take responsibility in preventing elder abuse for those with whom we work to care for and those within our community.

The HSE Safeguarding & Protection Teams work directly with those who find themselves vulnerable and who are at risk of abuse. If you have a concern for yourself or an older person you can contact the HSE Mid-West Safeguarding & Protection Team on safeguarding.cho3@hse.ie, or ring 067 46470 / 067 46428.
