Tradaree Pastoral Area Notice

In the coming weeks and months, it is hoped that the priests of the Tradaree Pastoral Area will begin to “swap pulpits”. This will mean that priests will be celebrating Masses in parishes other than the one they reside in. This initiative will enable priests to get to know the wider Pastoral Area and it affords parishioners the opportunity to regularly engage with all the priests on the Pastoral Area Team. We are going to gradually introduce this measure so as to give priests and parishioners an opportunity to consolidate the appointments announced by the Bishop this summer.
