### Tradaree Pastoral Area Notice

In the coming weeks and months, it is hoped that the priests of the Tradaree Pastoral Area will begin to “swap pulpits”. This will mean that priests will be celebrating Masses in parishes other than the one they reside in. This initiative will enable priests to get to know the wider Pastoral Area and it affords parishioners the opportunity to regularly engage with all the priests on the Pastoral Area Team. We are going to gradually introduce this measure so as to give priests and parishioners an opportunity to consolidate the appointments announced by the Bishop this summer.

### Newmarket on Fergus Tractor Run 2023

Newmarket on Fergus Agricultural Show is organising a tractor run for Sunday the 17th of September. This year the chosen charity that we are raising funds for is our local Clare branch of Down Syndrome Ireland. We welcome all tractors, trucks, motorbikes and cars (old and new) to assemble in the Show field on the old Dromoland Road from 11am for registration. The run will begin at 12:30 sharp and it will take off in the direction of Newmarket village. The event will conclude at the Crabtree Tavern where there will be a much anticipated tractor run for the children.

Please support this event and help us to raise funds for a local charity. There will be collection buckets in the show field and in Newmarket village for those wishing to give a donation on the day.
