## Pope Francis opens the Synod

This week Pope Francis opened the Synod where he invited the faithful to walk with the Holy Spirit, “in trust and with joy”. Pope Francis reminded us that “we do not need purely natural vision, made up of human strategies, political calculations, or ideological battles.” Instead, he said, “We are here to walk together with the gaze of Jesus, who blesses the Father and welcomes those who are weary and oppressed.” Pope Francis reminded us that “The

Holy Spirit often shatters our expectations to create something new that surpasses our predictions and negativity”. He went on to say ...”Let us open ourselves to Him, the protagonist, the Holy Spirit. And let us walk with Him, in trust and with joy.” Let us keep Pope Francis and all those involved in the Synod in our prayers. This is a very special moment in the life of the Church as we attempt to reconnect to the spirit of the Second Vatican Council and more importantly the guidance of the Holy Spirit as to where and how God wants His Church to be.

### “Laudate Deum”: Pope Francis on the Environment

Pope Francis has published an Apostolic Exhortation on the environment called “Laudate Deum” or “In praise of God”. This builds on his 2015 encyclical “Laudato Si”. One of the main points he makes is that we’re not reacting enough, and that the world’s ecology is close to breaking point. He criticises climate change deniers, saying that the human origin of global warming is now beyond doubt. Pope Francis goes on to describe how care for our common home flows from our Christian faith. ### An Autumn Day in Dalgan 2023

With Dr John Feehan  
Saturday 21<sup>st</sup> October 2023, 9.30am - 4.00pm  
Conference Hall, St Columban’s, Dalgan

#### EXPLORING WHAT LIES BENEATH

Autumn is a time not only of leaf fall, shortening days and the fading of floral colour, but also the time of year when the hidden world of fungi becomes more obvious to the exploring eye: not only mushrooms and toadstools, but a great variety of other smaller fungi, each with its different, always fascinating, story to tell. Our autumn day will be an occasion to look at some of these and deepen our sense of wonder at what goes on in this, the Fifth Kingdom of the living world. Wear suitable autumn clothing and footwear and bring a collecting basket and trowel.

9.30 – 10.00am	Registration
10.00am – 11.10am	Introduction and lecture
11.10am – 11.30am	Tea and Coffee Break
11.30am – 12.30am	Outdoor walk and collection of material for afternoon observation with the microscopes
12.30pm – 2.00pm	Lunch
2.00pm – 4.00pm	Seeing the world with the new eyes of the microscope
Booking Essential	Elizabeth Mc Ardle <a href="mailto:devof-ficemail@gmail.com">devof-ficemail@gmail.com</a> The day costs €30 which includes a full lunch.
