Annual Village Spring Clean—Let's showcase Newmarket-on-Fergus at its best this April

Newmarket-on-Fergus Tidy Towns have designated **Saturday, 13th April 2024** as local environment clean-up morning for the village streetscape, public places and approach roads. All parishioners and community groups are invited to join the Tidy Towns volunteers and meet at Halpin's Service Station, Limerick Road at 9.30am on Saturday, 13th April 2024. This event is supported by Ireland's An Taisce Spring Clean initiative with collection bags, litter picks, high

viz being provided on the day. Clare County Council have made the Central Waste Management Facility, Inagh available for one load disposal on the day. This is a perfect time to get to those black spots around the village and surrounds as Tidy Towns volunteers will collect the rubbish bags from cleaned areas and dispose to the Waste Facility. If you are unable to attend on Saturday 13th, why not get together as a Residents Association or with neighbours and arrange your own "spring clean" in the next week and advise the Tidy Towns Committee, for collection purposes by emailing newmarket.tidytowns@gmail.com.

This is a very special time for the families of our parish who have children presenting for Holy Communion and Confirmation.

It marks yet another milestone on their journey of faith. Let us keep them in our prayers so that they may have an experience of God's presence in their lives that inspires them to join this faith community in prayer and in acts of loving service of their neighbour.

As a Community of Faith we support them by our welcome and our prayers for them at this special time in their faith journeys.
