Parish Boxes of Envelopes

If you have not registered to receive a box of parish envelopes this is a good time to do so as we have just distributed the boxes of envelopes for the coming year. The benefit of you using the Envelope system is that it makes your money go so much further by the Parish being able to claim from Revenue's Charitable Rebate Scheme.

We extend a heartfelt thank to all who contribute so generously each week towards the running and upkeep of the parish. We also thank our envelope distributors who have done such great work these past weeks. If you haven't yet received your envelopes for the coming year they should be delivered to you in the coming week.
