**The Irish Blood Transfusion Service (IBTS)** is asking for blood donors to attend their Ennis clinic. National blood supplies, especially for vital blood groups like O negative and B negative, have fallen to concerning levels, with some having less than three days' stock. The IBTS aims to maintain a seven-day supply at all times to ensure our hospitals can meet patient needs. This shortfall means we need to collect an additional 2,000 donations nationwide over the coming weeks to prevent any impact on vital medical procedures. Hospital demand for blood has been consistently high, particularly following the recent Easter and May Bank holidays, and the continued good weather has also unfortunately impacted clinic attendance. Every single donation makes a profound difference. Blood is a lifeline for thousands of patients every year – from those undergoing complex surgeries, individuals battling cancer and leukaemia requiring chemotherapy, to mothers experiencing complications during childbirth, and victims of serious accidents. One unit of blood can save or significantly improve the lives of up to three people. The IBTS is asking for the public's assistance, and we have a convenient clinic in Ennis Tuesday 3rd & Wednesday 4th June: Ennis West County Hotel, Open from 4:50 PM to 8:10 PM. To make an appointment, please call 1800 222 111. New Donors welcome.
