A Prayer as our Schools Reopen

Loving God, we ask you to wrap our diocesan school family in a cloak of love and protection as our schools reopen.

Bless our boards of management and staff as they continue to provide a welcoming and safe learning environment for all.

Bless our parents who entrust their children to us, confident we can all work together to help them become the very best that they can be.

Bless our pupils, the reason for our being. May they continue to learn well and always know that they are safe, secure and protected in your loving embrace.

Gracious God, we are confident that through the intercession of our own Saints Patrick, Brigid, Flannan and Senan, your love and care for each of us always endures.

May we show the same love and care for one another in all we do and say this year. Amen.
